

2009-10 NIAGARA INTERNATIONAL MOOT COURT COMPETITION

CORRECTIONS/CLARIFICATIONS TO THE COMPROMIS

The following corrections and clarifications have been agreed to by the parties, and the Compromis should be considered amended accordingly. The Registrar of the Court reminds all parties and participants of the following:

- a. The Compromis is, in essence, a stipulation of facts. Its words have been carefully chosen, and are the result of extensive negotiation. The parties decline to "clarify" matters about which they are unlikely to agree. The parties will not stipulate as to which legal principles are relevant, or which arguments are acceptable or unacceptable.
- b. Any request for clarification not addressed in the following paragraphs has been considered by the parties to be redundant, inappropriate, or immaterial, or the parties were unable to reach agreement on a mutually acceptable answer.
- c. Except to the extent that corrections and clarifications are set out below, participants are to assume that the Compromis is accurate and complete in all respects. In particular, both parties stipulate as to the authenticity of all documents and of the signatures on all documents referenced in the Compromis.
- d. With respect to pronunciations of the various proper names used in the Compromis, all parties and the Court have agreed that they will not take formal or informal offense at any reasonable effort to pronounce proper names correctly.

CORRECTION

Per the attached Interpol Red Notice (which the Parties agree is an authentic copy of the original mentioned in paragraph 5 of the Compromis), Emanuel Rutaganda's actual birthdate was September 10, 1978 (not April 10, 1978 as erroneously stated in paragraph 2 of the Compromis). This means that he was recruited into the *Interhamwe* militia at age 14 and was 15 years old at the time of the Boutaire High School massacre in June 1994.

CLARIFICATION

Also per the attached Interpol Red Notice, the Indictment/Order for Arrest of Emanuel Rutaganda was issued by the District Court of South Province Rwanda, which is an ordinary criminal court (not a Gacaca court), with appeals to the higher courts of Rwanda.
